# Oxygen AI Positron Assistant Enterprise End User License Agreement

**IMPORTANT:** This Oxygen AI Positron Assistant Enterprise License Agreement ("Agreement") is entered into between Syncro Soft SRL ("Syncro") and the licensee ("You").

## 1. LICENSE GRANTS

Grant of License: Subject to the terms and conditions of this Agreement, Syncro Soft grants You the non-exclusive right to install and use copies of the Oxygen AI Positron Enterprise (the "Plug-In") on your computer running a validly licensed copy of Oxygen XML software for which Plug-In was designed, with the following conditions:

- a. Use of Plug-In. You can use the Plug-In either (i) through an evaluation version for thirty (30) days ("Trial Version") . (ii) via a paid subscription plan ("Subscription Plan") or(iii) inside a licensed copy of the Enterprise Edition of Oxygen XML Software. The Trial Version is intended solely for evaluation purposes and may not be used for any commercial use.
- b. Subscription. Your rights to use the Plug-In under a a Subscription Plan is limited to the subscription period that shall be indicated in your accepted order and such that the total number of named users may not exceed the total number licensed by You. In order to use the subscription you must register the activation code provided to you at the time of purchase and receive a License Key. Your license subscription will start on the date you receive the License Key, not from the date of purchase.
- c. LLM Service. You acknowledge that the use of the Plug-In requires a connection to an LLM service (the "Service") that is subject to separate conditions, including any subscription requirements. You agree to comply with all applicable terms and conditions of the Service.
- d. Disclaimer. The Plug-In is provided on an "as is" basis, without warranty of any kind, either express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. You assume all risks associated with the use of the Plug-In.
- e. Warning. You acknowledge that the Plug-In may produce inaccurate information about people, places, or facts. You assume all responsibility for verifying any information produced by the Plug-In.
- f. Limitation of Liability. In no event shall the copyright holder or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this Plug-In, even if advised of the possibility of such damage.
- g. Termination. This license automatically terminates if You violate any of its terms and conditions. We may terminate this license at any time without notice to You.

## 2. GENERAL

- a. By using the Plug-In, You acknowledge that You have read and understand this license and agree to be bound by its terms and conditions. If You do not agree to the terms of this license, You should not use the Plug-In.

## 3. THIRD PARTY SOFTWARE

Third Party Software. The Plug-In may include certain of the following third party software components. The license terms applicable to such third party software components are listed below:

1.
  - azure-core-http-netty-1.15.0
  - Site: <https://github.com/Azure/azure-sdk-for-java>
